Staggered Registration Dates

For Winter 2024, you'll notice we have three separate program registration dates:

Session One

Register Monday December 4th at 10:00 am
for all Session One white-coloured programs

Session Two

Register Monday February 5th at 10:00 am
for all Session Two pink-coloured programs

Session Three

Register Monday April 8th at 10:00 am
for all Session Three purple-coloured programs

Why the change? By drawing out registration over three dates, this ensures members are given ample opportunities to sign up for programming suitable for their goals.

Previously, we'd see members registering for programs many months ahead of time, then pull out of that program a few weeks later. Meanwhile, several other members wanted to attend that program, but found it full when they tried to register. Even waitlisted members will make alternative plans, and are often unavailable to take the open spot.

This also better assists members who want to try something new. It's difficult to get your child excited about soccer, or to take up doubles tennis, if all the relevant classes are completely full until the summer. More registration dates means more opportunities to take up a new challenge.

Finally, this change better reflects the busy lives we all lead. It puts less pressure on members, who are expected to be available for 30 minutes to register on a given date, or risk losing their spot in their favourite class for the next five months.

Each week you will learn the fundamentals for specific shots and apply them to doubles games situations.

There's a lot to learn, with an emphasis on net play. Let's get tactical! **No class on Mar 14**

Shot of the Week 2.0 to 3.5

Each week you will learn the fundamentals for specific shots and apply them to game situations. We'll cover the topspin forehand & backhand, serve & return, overhead, volley & slice.

Singles Bootcamp 2.5 to 3.5+

Ninety minutes of Match Simulation Training: increased offensive and counter-offensive capacity, improved defensive ability, mental toughness. Oh - you'll sweat and have fun, too!

Doubles Warriors 3.0 to 3.5

This class will help get you there through candid coaching of shot selection tactics, strategic positioning and sweat equity training through almost non-stop point play.

Warm up before the clinic, bring lots of fluids and be ready to be "aggressively smart, not aggressively sloppy".

Start the Point Right 2.5 to 3.5+

Struggling to place you serve or to get your return deep? The stats show that the majority of points are ended in the first four shots.

Take this class to level up your serve and return game so you can start the point with more confidence!

Air Tennis 3.0+

Everything players need to know about when and how to hit balls before the bounce.

Solid volleys and crushing percentage-placed overheads with neutralizing lobs and moon balls. The serve is an air ball, too!

Parent & Tot (4 Months to 3 Yrs)

These levels are especially for children aged 4 months to 3 years and their caregivers. Based on the principle "Within Arms Reach," the Parent & Tot levels focus on close playful interaction and shared fun between child, caregiver and water.

Activities and progressions are based on child development, so parents register in the level appropriate for their child's age. Through safety tips provided, caregivers learn what it takes to make Water Smart® choices. **No class Feb 17, 18, Mar 16, 17, 30 & 31.**
